

Name _____

The maze is a large, dashed-line path that winds through a space-themed illustration. The path starts at the top left and ends at the bottom right. Along the path, there are several space-themed objects: a planet with rings, a star, a UFO, a crescent moon, a comet, a rocket, another UFO, and a moon. The letters 'b', 'c', 'd', and 'e' are placed at various points along the path. There are also several empty square boxes with arrows pointing to them, intended for a child to write the corresponding letter.
