

# The Letter n

Color in the letters.

Trace over the letters.

A tracing guide for the letter 'n'. It shows a dotted 'n' with a solid 'n' overlaid to show stroke direction. The first 'n' has a vertical line on its left side with a downward arrow, and a curved line on its right side with an upward arrow. Below this are four more dotted 'n's for tracing.

Circle the pictures that begin with the letter n sound.

A collection of six line drawings for a matching activity. From top-left to bottom-right: a circular frame containing a nose with two arrows pointing to it; a newspaper titled 'Weekend News' with a 'free!' sticker; a large number '9'; a chicken; a fishing net; and a bus. A dotted line connects the nose to the chicken, and another dotted line connects the net to the bus.

You can color the pictures too.
