

The Letter k

ESCAPE TO PLANET K²

DRAW A PATH THROUGH 5 'K STARS' TO REACH PLANET K

AVOID THE UFOS

How many
ufos are there ?

 =

The maze consists of a grid of stars and UFOs. The path starts at a rocket on the left and ends at Planet K on the right. The path is indicated by a dashed line. The maze contains stars with letters 'k', 'y', and 'x', and several UFOs. At the bottom, there are four rockets on a planet surface with small alien-like creatures.
