

The Letter a

Shade each leaf with a letter a to reveal the path to the anthill.

How many letter a's are there?

a =

A large maze-like area containing various objects and letters. The objects include flowers, stars, a book, a kangaroo, an airplane, and an anthill at the bottom right. The letters 'a' and 'b' are scattered throughout, primarily on leaves. The path starts from the ant and leads to the anthill.

Did you spot the airplane?
