

The Letter c

how many cats
can you find?
=

..... Join the letter c's together

The puzzle consists of a grid of letters: 'c', 'd', and 'e'. A dashed line connects all the 'c's in the following order: top-left 'c', top-right 'c', middle-right 'c', middle-left 'c', middle-bottom 'c', bottom-left 'c', and bottom-middle 'c'. Other dashed lines connect 'd's and 'e's in various paths. There are 12 cat illustrations of various breeds and poses scattered throughout the puzzle.
