

# The Letter a

DRAW A PATH THROUGH 6 'A STARS' TO REACH PLANET A

AVOID THE UFOS

A large space-themed activity area containing a dotted path starting from a rocket on the left and ending at Planet A. The path is composed of stars with the letter 'a'. Scattered throughout the space are various stars with letters 'a', 'b', and 'c', and several UFOs. At the bottom, there are four rockets on a launch pad and several small alien creatures on the ground.

How many ufos are there?
